

Inspired by a true story, ‘Making Space’ music video by Eli Lev is set to release on June 29th

May 27, 2018 | Eli Lev Music

‘Making Space’ Music Video

ELI LEV is set to release his eagerly-anticipated music video for MAKING SPACE on Friday, June 29th. Watch a special preview of the video here: [Making Space Music Video](#)

The video is set in WASHINGTON, DC within the Meridian Hill Park and Georgetown neighborhoods. Throughout the video, Eli plays his mandolin while walking through streets and parks, singing to strangers who become immediate friends and join in the tune.

MAKING SPACE is the first track off his latest album, [ALL ROADS EAST](#). The song has earned high praise from [Paste Magazine](#) as a ‘stand-out track, riddled with impressive echoed harmonies and scattered thundering percussion.

The Story of Eli Lev

ELI LEV is an American folk singer and songwriter. A searcher of truth born in Washington, D.C. and raised by the world, he has come full circle and currently resides in the D.C. area. Eli creates inspirational music by infusing a message of unity through his heartfelt lyrics. His uplifting songs and emotionally resonant melodies captivate fans across the country as he plays to diverse crowds at venues from coast-to-coast. Stay up to date with the latest on Eli Lev news and performances at www.eli-lev.com

“When I’ve been on the road, and I can’t speak the language, I’ve always been able to play a song and suddenly everyone’s singing and dancing. There’s a connection there, and, in that instant, there is a community.”
